

Set up direct deposit for fastest reimbursements

Instructions

Direct deposit is the fastest, easiest, and most efficient method for receiving TASC HRA Plan reimbursements. And it takes mere minutes to set up direct deposit for your account.

Log in to your MyTASC account at www.tasconline.com.

No account set up yet? No worries. Simply contact us at 608-241-1900 or 800-422-4661 and we'll help set up your MyTASC account.

Your account defaults to Check Reimbursement. To change to Direct Deposit, select Tools & Support and change Payment Method in the "How Do I" section.

Select Direct Deposit, click Change Payment Method, enter the required bank account information, and click Submit.

Done! You will start receiving direct deposits with your next reimbursement.

It's that easy!

Please Note: Direct deposit reimbursements are processed daily; checks are processed weekly.
