

MyTASC Login Instructions

An email address is required to access MyTASC.

1

From www.tasconline.com, click *MyTASC Login* in the upper right corner of the page.

2

Enter your 12-digit TASC ID as your username.

3

If you do not have a password or have forgotten it, click *Forgot Your Password*. A “reset password” link will be sent to your email account on record.

4

You may reset your password at any time. Passwords expire periodically. To reset your password: either login and click *Profile* or click *Forgot my Password* on the login screen, then follow the prompts.

5

You may change your username at any time. Click *Profile*, then click *Change* on the right of *Username*. (You must enable the pop-up function on your browser.) Your username must be at least 10 characters (no symbols) and unique to our system.

NOTE: Enter your username and password carefully. After five failed login attempts, users will be locked out of the system and must call our Customer Care Center at 1-800-422-4661, Monday-Friday, 8am-5pm.
