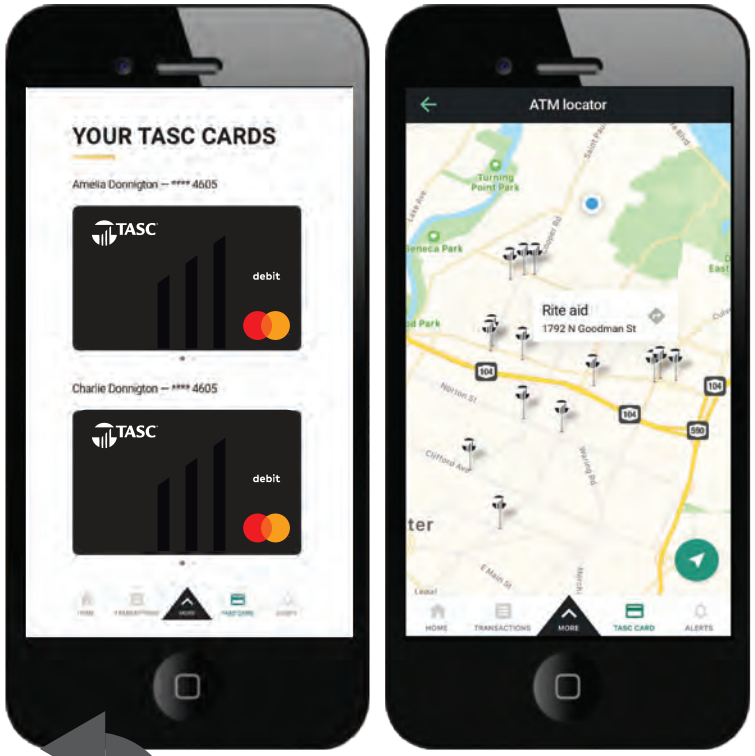
TASC® sneak peek

TASC WALLET



MAIN MENU

The **TASC Wallet** makes it easy for plan participants to manage their TASC Card no matter where they are.

They can request a new or replacement card, temporarily lock one that's missing, and even find a nearby ATM.

Participants can also securely store and access digital copies of their other benefit cards (i.e., insurance, prescription, etc.) as well as receipts and bills related to their benefit plans – **all in one accessible location!**
